

# VOTER SUPPRESSION

Virginia's Republican delegates have been dedicated to creating barriers to voting, passing bills in 2017 to:

**Require Voters to Submit Photo ID for Absentee Ballot**

Creating another obstacle to voting. **Passed by Republicans;**  
**VETOED by Governor**

**Require List of Voters Registered in Another State**

Increasing the burden on local Elections Departments and risking improper disenfranchisement of voters. **Supported by every flippable Republican; LeMunyon was a Co-Patron; VETOED by Governor**

**Require Local Registrars to Investigate Voters** and generate reports to the State Board. **Supported by every flippable Republican;**  
**VETOED by Governor**

**Restrict Voter Registration Deadline**

This bill restricts the voter registration deadline to 5 p.m. for both in-person and online registration, making it harder for working people to vote. **Passed by Republicans; VETOED by Governor**
